Care Services Update

Care Services Director, Kristine Helt

Hello and Happy Almost Autumn!

Care Services is happy to report that we have had several new Care Partners, Licensed Practical Nurses, Graduate Practical Nurses, and Registered Nurses join our team. Thank you for the warm welcome that everyone has received! This has been a time of learning and growth, and we are blessed and humbled to be able to do this at Samaritan Place.

Some highlights that will be happening in the upcoming months:

- In the future, you will see increased staff on days and evenings, as we are adding bath teams to the neighborhoods. More details to follow.
- Continued education will be offered for the care staff as we define and update our learning goals and needs.
- We will also be offering seasonal vaccinations as flu season is upon us.

As always, if you have any questions, please feel free to reach out, my office is located in the front main entrance area. Have a wonderful Fall!

Life Enhancement Highlights from Holly, Denise, & Macy

Some of **Park's** residents enjoyed an outing to Mother Earth Greenhouse back in June. Some of the ladies were able to pet some animals and pick out flowers. Many residents have worked hard all summer on their garden beds located on Park balcony!

Resident Spotlight Featuring Gary & Paul

The Life Enhancement team asked these gentlemen the following questions to get to know these two residents a little bit better.

What was your favourite food growing up?
Gary: Hamburgers.
Paul: Chicken Parmesan.

What was your first job?
Gary: Re-shingling a skating rink roof in Tisdale with a few kids I grew up with.
Paul: I worked at Burger King cooking fries and remember burning my fingers on the grease.

What was the first movie you ever attended or concert you ever went to?
Gary: I got to see a lot of movies growing up because I was friends with the boys who owned the local theatre.
Paul: Favourite Rock band is Max Webster (Kim Mitchell was one of the members from SK who used to wear PJs to perform and an OPP hat – Ontario provincial police), nickname was Ontarion popcorn poppers.

What was your first car and who taught you how to drive?
Gary: 58 chevy convertible. I should have never gotten rid of it! Who taught me how to drive? It just happened!
Paul: 79 Pontiac grand prix. I got it after my first job in college, and my dad taught me how to drive.

Do you have a favourite travel memory?
Gary: lots of places!
Paul: My grandma and grandpas store in Nairn Centre (close to Sudbury). Lots of fun there, it was right across from the train tracks so whenever a train would come the store would shake.

If you could have lunch with someone past or present, who would it be?
Gary: my brother… he lives here now but there was a time when he lived up north.
Paul: Actor, Clint Eastwood. He is my favourite actor because he is in a lot of different types of movies.

Samaritan Place Honour Walk

- We have recently enhanced our Honour Guard tradition to provide a more meaningful and dignified farewell when a resident passes away in home.
- The resident is covered with our special memorial quilt pictured below and respectfully escorted from the home while “Amazing Grace” is played. Our RNs, LPNs, Care Partners, leadership team, and other available staff accompany the resident to the front entrance.
- This is one of the ways we honour the life and dignity of each resident and offer our respect and support to their family.

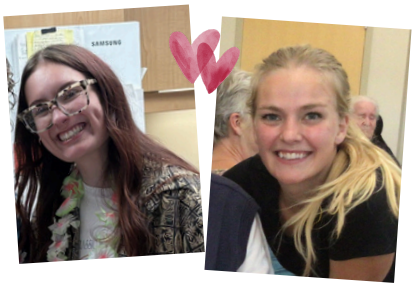

Bonvoyage!

Over the next few months, you will notice some changes within our Life Enhancement team. While we are saddened to say goodbye, we are also excited to celebrate two wonderful team members as they begin new chapters in their lives.

At the end of September, Holly will be moving to Moose Jaw to be closer to her family, and in November, Macy will be embarking on an exciting year-long adventure in Australia.

Holly and Macy have each brought warmth, compassion, laughter, and joy to the residents and community of Samaritan Place. Their dedication and caring presence have touched many lives, and they will be greatly missed by residents, families, volunteers, and staff alike.

St. Kateri Visits

Samaritan Place is excited to partner with St. Kateri Tekakwitha Catholic Elementary School for continued intergenerational activities between classrooms and residents. This fall, various grades will join residents for life enhancement programming to foster meaningful connection and community belonging.
